## Add coverage based on your needs

Your employer is giving you the option to enroll in Long Term Disability Income Insurance. This means that if a disabling illness or injury prevents you from working, and your Short Term Disability coverage has run out, you'll still be able to replace a portion of your income.

### Coverage Amount

**60%**

of your monthly earnings

(\$100 minimum monthly benefit / \$10,000 maximum monthly benefit)

### Waiting period

#### Waiting period: 90 consecutive days within 180 calendar days.

Any days that you are able to work after the start of your disability will not count toward your waiting (elimination) period. You may be eligible for Short Term Disability payments during this time or you may use your available vacation, PTO, time off and/or sick time during this waiting period.

## Evidence of Insurability (health questions)

When evidence of insurability is required, the insurance company will need to approve it before coverage becomes effective.

### How long benefit payments last
