

Take back your life from the grip of opioids.

We provide medication-assisted treatment for opioid use disorder via Telehealth, to help you rebuild a life you love.

A simple, proven, and private treatment plan for opioid addiction.

Bicycle Health creates a personalized treatment plan for you that lets you recover at home, on your timeline and without time away from family or work.

No travel, no waiting rooms and no waitlists.

We accept many major insurance plans, Medicare and Medicaid, in most states.

We also have an affordable monthly cash pay option.
